# WELCOME TO KCRQF 2023!

Welcome to the fifth Kansas City Regional Quilt Festival! Kansas City's nickname is the "City of Fountains". Did you know that when it comes to functional fountains, Kansas City, MO, can lay claim to having the most working fountains of any city in the world? According to the City of Fountains Foundation, there are over 200 working fountains in Kansas City. Those of us that live here love our fountains. In fact, this year our festival theme is based on this. We are calling Kansas City the City of Quilts for this weekend!

KCRQF is a not-for-profit event, held in odd-numbered years, sponsored by and relying entirely on volunteers from 14 local quilting guilds. Every single element of our show has been put together by an all volunteer staff. You will know the staff members as the ones wearing black t-shirts that look like the pink t-shirts we are selling, but on the back they say "I'm Sew In the Know". If you have any questions or concerns that we can help with, please find one of us wearing those t-shirts and we will be happy to help you. All proceeds are distributed to these 14 member guilds so they may bring in quality programming and continuing education to ensure that quilting does not die out. They are all grateful for your attendance.

The participating guilds have an array of quilts on display. We think you will be impressed with the multitude of styles as well as their artanship. A panel of vendors judged them, and their favorites have ribbons attached. We also have Showcase Challenge Quilts, which are submitted by the members of our guilds. The top 2 are showcased in the plexiglass when you walk in. The remaining quilts will be located in the quilt room. You won't want to miss seeing the judged quilts, which come from all over the country.

There are two special collections this year. Luke Haynes and Lea McComas. They are both really amazing quilters so please check out their quilts! We hope that all the quilts will inspire you and your creativity.

Last but not least, there are over 120 great vendors for you to visit this year. With all those vendors, we are sure you will see something that will catch your eye. Our vendors will appreciate your business.

**Thank you, everyone, for making the 2023 Kansas City Regional Quilt Festival a success. We are honored to have you here with us.**

*Executive Board, L to R: Julie Kiffin, Secretary; Beth Ennis, 2nd Vice President; Heather Buchwitz, Technology Director; Kim Rodman, Vendor Chair; Carol Russell, Instructor Chair; Kathy Limpic, 1st Vice President; Molly Hundley, Treasurer; Pam Palmer, President*

Keep reading to find helpful information about the festival. Also, be sure to scan the advertisements carefully; there are **coupons** waiting for you to find!

# Showcase Challenge

Two quilts designed and created by a member(s) of the KCRQF Participating Guilds will be selected to be hung in the Showcase plexiglass case at the entrance to the Festival. The theme for the Challenge will be “City of Quilts” and will provide the opportunity for our Festival attendees to share in Kansas City’s rich history and culture.

The first and second place quilts will be selected by Sandy Gard, an NQA Judge, with first place receiving \$250 cash provided by KCRQF and second place receiving a fabric bundle from local Kansas City fabric manufacturer Paintbrush Studios

See the rest of the stunning entries in quilt booths 305-309.

## Festival Questions & Answers

**If I take a class, will this give me entrance into the Festival area?** No. Classes, trunk shows and lecture fees do not include entrance to the Festival (Vendor Exhibit Hall and Quilt Hall). If you are taking a class, trunk show or lecture and would also like to view the over 500 quilts on display and visit the 100+ vendors, you must purchase a Festival Entrance Ticket.

**I have purchased my Festival Entrance Ticket online, where do I pick the ticket up?** There are no paper tickets this year. Your ticket is the email you received with the QR code on it. It only allows you entrance one time, or once each day if you have a 3 day ticket. It can be printed or used right off your mobile device.

**If I want to leave the Festival and come back on the same day, may I?** Yes. Our Festival Staff/Volunteers will be taking tickets as you enter the Festival area. If you should leave, Festival Staff/Volunteers will be at the Exit door to place a “Stamp of the Day” on your wrist which will allow you to re-enter during the same day. Make sure you don’t wash it off accidentally.

**Can I purchase a Festival Three-Day Ticket at the door?** No. However, One-Day Festival Tickets are available at the Convention Center Ticket Booth at the entrance to the Convention Center, Courtyard level.

**I ordered merchandise online (t-shirts, pins or bags). Where do I pick these up?** Pre-ordered Festival merchandise will be available for pickup at the top of the escalator at the Merchandise booth.

**I ordered merchandise online but want to purchase additional items. Will I be able to and where?** Yes, additional merchandise will be available for purchase at the Merchandise Booth located at the top of the escalators.

**Is there a bag check area?** Yes. There is a “Sack Sitters” area next to the merchandise booth. It is free this year.

# Festival Hints and Information

**Sack Sitters** – Bought too much to lug around? We have a spot to securely store your purchases and pull carts FOR FREE while you continue to shop. You can bring your items to the Sack Sitters booth located on the second floor just to the right of the elevator!

**Concessions** – The Overland Park Convention Center has you covered at the concession stand in the Vendor Exhibit Hall, the Coffee Shop in Concourse S1 and with a food cart downstairs next to the escalators. There is also a restaurant in the Sheraton next door that will be open for all 3 meals every day. Per OPCC rules, no outside food or beverages are allowed.

**Rolling Carts / Tote Bags** - For the safety of our Festival attendees, the following items will not be allowed in the Vendor Exhibit and/or Quilt Exhibit Halls: pull-behind rolling carts and pull-behind rolling tote bags. These items can be stored at the Sack Sitters booth for free.

**Walkers / Wheelchairs / Strollers** - The following items that will be allowed in the Vendor Exhibit and/or Quilt Exhibit Halls are: medically indicated rolling walkers, wheelchairs with people in them, and strollers with babies aboard.

**Pictures** – We want you to commemorate the Festival experience and the wonderful quilts displayed. We welcome photos of the Judged and Guild quilts. When taking photos of the quilts we ask that you also take a photo of the information tag so that the makers of the quilts get the recognition they deserve. Please ask at the Vendor booths before taking photos of items in their booths.

**Selfies** – Take a picture of you and your friends in front of a large U.S. Map, put a pin in the map to represent where you live and post to the internet using the hashtag #kcrqf. What a great way to commemorate your time at the Festival!

**Lost and Found** – Did you lose the cool quilting item you just purchased, or, more importantly, a personal item? Please go to the Merchandise and Sack Sitting booth and someone there will be more than happy to help you.

**Medical Emergency** – If you or someone in your group needs medical attention, there is a medical attendant on-site. In an emergency, please call 911 and try to let one of our black shirt volunteers know. For non-emergencies, please find one of our black shirt volunteers and they will get on-site help.

# Special Collections

Each festival cycle, the Kansas City Regional Quilt Festival looks for exceptional, unique quilt collections to showcase. Often, we are humbled by the artistry and significance of the pieces that come through our door. We do hope that you take the time to admire the work of each artist as these collections do not always appear in public venues. The Kansas City Regional Quilt Festival sincerely thanks each and every person who has been instrumental in helping secure these wonderful collections for all to appreciate.

**Keep reading to get a summary of each collection.**

## SPECIAL COLLECTION Luke Haynes

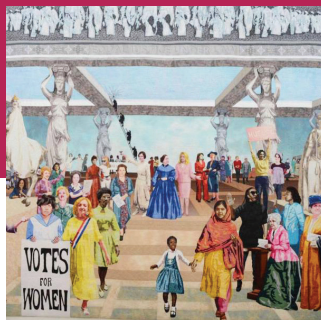

Subverting the traditional quilting form by integrating modern concepts, his art transforms the comfortably familiar into the visually evocative. Luke Haynes was born and raised across the American South. With a formal training in art and architecture at Cooper Union, New York, Haynes continues to experiment with quilting art while exploring art and architecture across the globe.

A chance encounter with a box of fabric remnants sparked Mr. Haynes' imagination. His first quilt, measuring 7' x 10', led him through years of experimentation and improvements over the years that he has been quilting. Further honing his style, Mr. Haynes developed a system to piece manageable parts into a larger whole, applying a modern design sense to a familiar process. He uses reclaimed materials from the communities he works with in his projects to speak with the textile language of the area.

## SPECIAL COLLECTION

# Lea McComas

I left the Kansas City area 30 years ago to travel and explore. That journey led me to exotic places along with historical, spiritual, and artistic discoveries, reinforcing my belief that people are amazing and life is a grand adventure. My art is an extension of that fascination with the human experience. It's about capturing stories with fabric and thread, and each piece is meant to introduce the viewer to a character, or characters, and highlight a common experience, and unique perspective. Inspiration comes from images of daily life, both past and present.

My art has been featured in numerous publications and exhibited in galleries and juried shows nationally and internationally, but coming back to KC to share my work with family, friends, fans, and fellow quilters is truly a thrill. I'm especially excited to share my latest art quilt, Women's Work, that depicts 57 figures who contributed to the fight for women's rights and equality. Please enjoy!!

## SPECIAL COLLECTION

# Lori Triplett

The Wedding Album Quilt was the 2020 Triplett Sisters Block of the Month, with more than 100 people from around the world participating in recreating their version of this c.1860 antique quilt. Unlike other BOMs, the Triplett Sisters encourage a variety of techniques, colors, and interpretation.

Anyone is welcome to join in the making and this exhibit features quilt teachers, talented artists, and award-winning quilters. This approach makes for a unique exhibit all made with one pattern as you compare and contrast changes with the original quilt.

Of the six new quilts, notice the variety of background fabrics used (not just off-white), different layouts, printed fabrics instead of solids (sometimes used by the original fabric designer), and hand painted fabrics. The applique techniques used vary from needle turn, back basting, fusible, applied treatments, and cut-out applique (sometimes known as broderie perse.) Decide what version and techniques you would choose as you create your version of this amazing and intriguing quilt. See her collection at quilt booths 311-317.

## SPECIAL COLLECTION

# Wesport Collection

Tammy Reid's life is filled with what she describes as, "There is football, and then there is real life." In her "real life," she is passionate about collecting quilts and over her lifetime has acquired about 180 quilts.

The collection includes quilts constructed between the mid-1800s and today. In 2021, Tammy collaborated with the Westport Historical Society (WHS), on a fundraising project involving her quilt collection which supported WHS's educational programs.

The Kansas City Regional Quilt Festival was first to share, as a Special Collection in our biennial Festival, seven quilts out of Tammy's remarkable collection. Following the 2021 June festival, in September that year, approximately 65 of Tammy's quilts were featured in the WHS's Quilt Extravaganza, at the 1855 Harris-Kearney Historical House Museum. As promised during the Extravaganza, the result of Tammy's generous willingness to loan her quilts and share her life around them, resulted with publication of a wonderful book entitled, "Every Quilt Has a Story: The Tammy Reid Quilt Collection."

The book features something for everyone. It includes 225 full color pages describing quilt history, construction dates and details, and fun, educational information for each quilt exhibited. A peek into the personal life of Tammy and her family are shared through her quilt stories. Vivid, 360 color photos provide photos of the quilts, including many close-up details, images of the exhibit, Tammy's Talk Trunk Show, plus numerous family photos depicting life with quilts in the Reid home.

Every quilter will be proud to add "Every Quilt Has a Story...The Tammy Reid Quilt Collection" book to their quilt book library, to not only further their education on the history of quilting, but to find ideas for making their own quilts so people for generations can love and admire their quilts as Tammy Reid does in collecting just a small part of history for her enjoyment. ~Kathy

**Stop by Booth 307 and pick up your copy before they are all gone. All monies raised from the book sale support the Westport Historical Society's education programs and public research services.**

# VOLUNTEER OPPORTUNITY

## Kansas City Hospice & Palliative Care

Kansas City Hospice & Palliative Care has a special opportunity to help honor veterans. And we need your help. At Kansas City Hospice, our mission is to bring expert care, peace of mind, comfort, guidance, and hope to people who are affected by serious illness or by grief. And sometimes that means veterans.

Every veteran in Kansas City Hospice's service is offered a veteran recognition ceremony, which involves a certificate of service and a medal. These patients are also honored with the gift of a handmade lap quilt depicting their branch of the service or a patriotic theme.

We all know the comfort and support a quilt can bring. As Kansas City's largest, nonprofit hospice, we like to provide that level of comfort to our patients and their families every single day. That's where YOU come in: we're always looking for volunteer quilters to help provide veteran lap quilts for this program, and lap quilts of any style for patients at our two hospice houses.

**If you have a heart for hospice and would like to learn more about our quilt programs, please contact Melissa Basgall at [mbasgall@kchospice.org](mailto:mbasgall@kchospice.org).**
