StarQuar Scrap Quilts

with Diane Harris

Learn a fast and simple way to turn your scraps and stash into a gorgeous starry sky—and so much more! Most fabrics work into StarQuar quilts beautifully so you can use leftovers and/or your most favorite prints.

Concepts include value, contrast, color, scale, difficult prints and more plus **many** ideas for using StarQuar units in a variety of ways. You'll catch a vision for how diverse fabrics can work together and become something much greater than the sum of their parts.

Cut scraps into one useful patch size and make these blocks without any fuss at all. Let Diane Harris of Stash Bandit show you the secrets to great scrappy quilts. StarQuar scrap quilts are a wonderful adventure, full of fun!

Skill level: Confident beginner and beyond

Star Silhouettes is my quilt that appeared on the cover of the August 2022 issue of *American Patchwork & Quilting*. In my **StarQuar Scrap Quilts class**, I'll show you how to let the fabric do the work! The piecing can be simple but the quilt can be fabulous when you start to understand a few basic ideas. Let me start you down the road to scrappy and happy!
